 <small>The TPS Healthcare Group Ltd</small>	Ref Number:	POL-TPS-QA00001	Revision:	2
	Title:	Quality Policy Statement – The TPS Healthcare Group Ltd	Approval Date:	14 th October 2025

It is the policy of The TPS Healthcare Group Limited to:

- Sell, supply, and stock hold a wide range of medical devices, equipment, and pharmaceuticals products.
- Meet all applicable regulations including compliance with Good Distribution Practice of regulation C17 of the Human Medicines Regulations 2012 (SI 2012/1916), where we act as UK Responsible Person, & any other applicable territory regulations and harmonized standards.
- Adhere to current and emerging regulatory requirements for wholesale storage, distribution, and commercial activities.
- Establish and maintain the effectiveness of the Quality System to meet applicable ISO 9001:2015 requirements.
- Commit to ensuring system effectiveness, as a basis to ensure product safety, with ongoing improvement of our service, and the quality management system.
- Use reliable, competent, and compliant suppliers to ensure the provision of safe products and services. By establishing these high standards this will allow us to create efficient processes that will provide our customers with the confidence needed when The TPS Healthcare Group are chosen as the single partner of choice by our suppliers.
- Identify and understand our customers’ requirements and encourage feedback to help us improve performance and provide services of the highest standard that will allow us to deliver service excellence. We will do this through our strategic initiatives by:
 - Delivering service excellence
 - Expanding our core customer base
- Provide training and support to all employees, to ensure continual growth and development that will further encourage employee engagement.
